

CALL FOR POSTER SESSION PRESENTATIONS 2017
Utah Academy of Nutrition and Dietetics
March 30 – 31, 2017
Sandy, Utah

The Utah Academy of Nutrition and Dietetics (UAND) invites Academy members in all membership categories, students, and dietetic interns to submit abstracts to be presented during the poster session at the UAND Annual Meeting.

The purpose of the poster session is to share project ideas or report research findings for use in dietetic practice. The poster session is an informal, free flowing session where authors are expected to be available for a specified 60 to 90-minute period to discuss their work with meeting attendees. Each poster area will consist of one 3 ft wide x 6 ft long table. Presenters must provide their own freestanding foam-board, cardboard, or hook-and-loop display board to mount materials.

All abstracts must be postmarked or emailed on or before February 1, 2017. Notification of your participation in the poster session will be made by February 15, 2017.

Submit via webform at http://www.eatrightutah.org/uda.cfm?page=annual_mtg_3.

The following format for abstract submission should be followed:

1. **Type and Format:** Type single-spaced with the font size no smaller than 10 to ensure readability. The abstract text should be no more than 250 words. The form on the next page may be used but is not required.
2. **Title:** Capitalize the entire title. Do not underline, bold, or use abbreviations or acronyms in the title.
3. **Presenter and Co-authors:** Type first name, last names, credentials, and places of employment (city and state in which the research or project was completed) for all authors. Do not identify any author names or facilities within the body of the abstract.
4. **Learning Outcome:** List only one learning outcome, or objective, for the abstract. The outcome should state specifically what the participant will be able to do or say after listening to the author or reading the abstract presentation being submitted.
5. **Abstract Text: Carefully proofread all** submissions, spelling out abbreviated terms and acronyms at the first mention within the text. After UAND receives the abstract, there will be no further editing. *Do not capitalize or use graphs, charts, or tables for emphasis in the abstract.*

RULES FOR PRESENTATION

1. Only complete projects will be considered.
2. Abstracts must follow the prescribed format.
3. No materials for sale are allowed for presentations.
4. Presentations must be made by one of the listed authors.
5. The presenting author should register for at least the day that poster sessions are presented, Friday, March 31, 2017. The presenting author is requested to be present with their poster on Friday morning to answer questions from attendees.
6. An author should limit him/herself to one presentation, however, one can be a co-author on more than one submission.
7. Abstracts must be original material.

Wendy Phillips, MS, RD, CNSC, CLE, FAND is the Poster Session chairperson. Please direct all questions to her via email at wendyphillips@iammorrison.com or by calling 434-305-0203.
