

We have had improvement in the numbers of members who have responded to the action alerts through the Academy. Previously, only 1.2% of our members completed action alerts, and we are now at 11.8% participation on the latest action alert for the Treat and Reduce Obesity Act of 2017! Please help us get to our goal of at least 20% of UAND members responding to these action alerts!

Go to [www.eatrightpro.org/action-center](http://www.eatrightpro.org/action-center) to complete all open action alerts. Thank you for all you do to advocate for the health and wellness of Utahns every day!
